Dear Sir/Madam:

My name is (*) and I am a voting member of your constituency. I wanted to take a minute to communicate my support for a bill being presented to the House that deals with violence and the unborn victims of it. I would like to see Legislation that makes it a separate offence to injure or kill an unborn child during an attack on the mother recognized by our Criminal Code.

Thank you for all that you do.

Sincerely,

(Your name)
